Competition Rules:

- Heats will consist of three to four competitors.
- If there are four competitors in the heat, two will advance to the next round.
- If there are three competitors in a heat, they will be informed prior to their run as to the number of athletes that advance.
- Depending on the size of the bracket, a **repercharge** run may be held after the first round. This is a **second chance** for competitors finishing 3rd and 4th in heats in the first round. These competitors must return to the top of the course where they will be placed into new heats, elimination is as stated above.
    - If there are four or less competitors in a field, it will go straight to a final.
- Completing the course;
    - Square Flags – Competitors must pass in-between the set of gates
    - Triangle Flags – Competitors must pass on the short side of the gate
    - Those competitors that do not complete the course will receive a DNF (did not finish) and therefore will not proceed to the next round
- **Protective Equipment – Helmets are MANDATORY!!!**
- Contact – disqualifications will be made in the event that of deliberate pushing, shoving and/or grabbing, competitors are to use sports etiquette.
- In the Event of a tie, those competitors will race head-to-head for a tie-breaker.

Ruapehu Alpine Lifts Ltd reserves the right to cancel or postpone the event depending on weather or snow conditions
